A Living Memorial.....

Giving to God's work in memory of a loved one — mother, father, daughter, son, sister, brother — is a wonderful way to keep this person's memory and influence alive. By giving a good academic and religious education to a child you are continuing the good works of your loved one forever; and, he/she is remembered in the Masses and prayers of the priests, faculty and students of Christ the King Cathedral School this year.

Please fill in the information below and return this card.
